Back

- 1) If showing "NOT eligible for clearance certificates", it means the company's account is NOT in good standing. Thus, their workers are NOT covered by WSIB.
- 2) If the company cannot be found on the system, it means the company is NOT registered with the WSIB. Thus, their workers are NOT covered by WSIB.

Check Your roofer before you give him the job!!!
This is the LAW.....**Bill 119**

Those who hire contractors without confirming they have a valid clearance number also face serious fines and penalties.
